

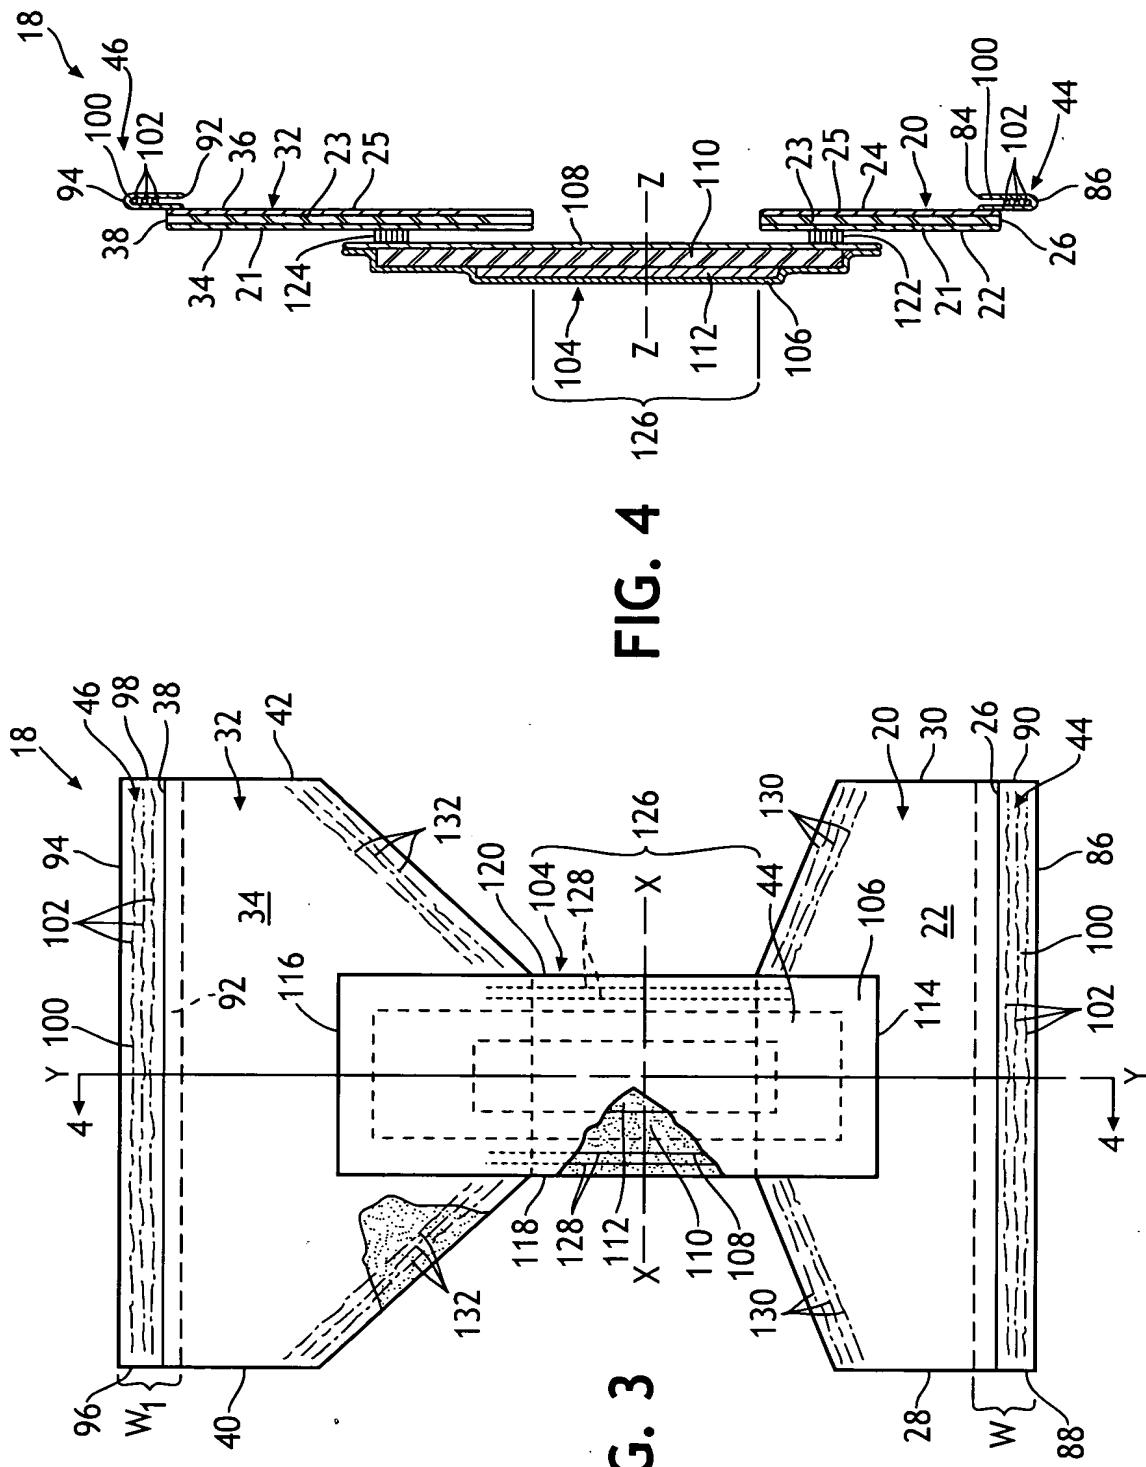

FIG. 2

**FIG. 3**  A cross-sectional diagram of a stepped structure. The top horizontal line is labeled '126'. Below it, a dashed line is labeled '126'. A horizontal line below that is labeled '112'. The bottom-most horizontal line is labeled 'X-X'. The structure has a triangular shape at the bottom, with a dashed line extending upwards from its apex. The top of the structure is a flat horizontal line.
